Sales for the second quarter totaled \$20.2 billion, a 4.2 percent increase from the second quarter of fiscal 2010. Comparable store sales for the second quarter were positive 4.3 percent, and comp sales for U.S. stores were positive 3.5 percent.

"Our second-quarter results were driven by a rebound in our seasonal business, storm-related repairs and strength in our core categories," said Frank Blake, chairman & CEO. "We continue to deliver a strong operating performance while also investing in customer service and our merchandising initiatives. I would like to thank our associates for their hard work and dedication. It is their efforts that enabled us to deliver these results."
